

# HG

## MARBLE POLISH

---

A waterbased maintenance wax, that provides a protective gloss while impregnating, cleaning and dressing.

Best suitable for smaller areas.

Great for hiding imperfections or etchmarks.

### APPLICATION

---

Best suitable for smaller areas, like table tops, window sills, countertops, thresholds, mantels, hearth's, etc., made of marble, travertine, limestone, bluestone, terrazzo but also granite.

### DIRECTIONS FOR USE

---

Ensure that surface is clean and dry.

Pour HG Marble Polish on a soft, clean and lintfree cloth, at room temperature, and leave to dry.

Within 30 minutes after polish has dried, polish surface with lint-free cloth, making circular motions, until gloss appears.

May also be used ovetop Marble Protector or Top Protector
